

Teachers Now Have Access to Japanese Resources Using TeachAde.com

TeachAde, the innovative online community and resource center for teachers, is providing educators' resources in Japanese for their ELL & ESL students and parents. Members are encouraged to share their resources with staff and create groups so that a student's transition in school may be easier and more successful.

Aspen, CO ([PRWEB](#)) October 16, 2013 -- [TeachAde.com](#), an award-winning free online community and resource center for teachers, is excited to announce that membership is no longer only for those speaking English. TeachAde is also available in Japanese so that teachers and parents may help students learn, be more successful, improve self-esteem, and for teachers, help create a positive classroom environment.

This attention to serving the needs of educators has made TeachAde one of the leading online resources recognized by educators and industry leaders for its standard of excellence and achievement. The Japanese option is located on the home page and is easily accessible throughout the TeachAde website as well as on their Facebook page.

These additional language options accompany the ability to assign languages and countries to resources and groups has also been added. This allows teachers to target exactly the audience they want and assist certain students using these teaching tools.
